## DRAWING PEOPLE

Drawing people is a helpful skill you can use in your sketchnotes.  
Here are two ways to draw people — the *Star Method*  
and the *Dave Gray Method*:

## DRAWING FACES

With just a few basic lines you can create a wide array of facial expressions. My friend Austin Kleon has a simple way of creating 9 different faces by using just 3 different lines within a matrix:

## ADVANCED FACE DRAWING

Faces are sometimes tough to draw. I've gathered a collection of tips to make drawing faces a bit easier:

### \*DRAW THE HEAD'S SHAPE

Look at the person's head for the shape. Is it oval or rectangular? Do they have a long chin, wide forehead, large eyes or mouth? Capture the shape, and then add details.
